PORTAGE STREET PROJECT

Informational Meeting

6pm - 7pm

Tuesday, July 23rd

Edison Neighborhood Association,
816 Washington Ave

This is an informational meeting to talk about the conversion of Portage St from 4 lanes to 3 lanes along with the addition of bike lanes. The goal of this street redesign is to improve vehicular and pedestrian safety while offering a balance of travel options. This meeting is a follow up meeting from a Street Design Meeting that took place in summer 2018.
